

Check and Connect Integrity Checklist:
Chisago Lakes High School

Morning Check-In Intervention Steps	Y	N
1. Student meets with Check and Connect Coordinator in the morning prior to 1 st block		
2. Student enters name in a raffle for showing up		
3. Check in with student to ensure they have the needed supplies for the day. Any items the student may need are provided.		
4. Check in with student to see what his/her mind-set and outlook for the day is. Send student off to class with positives.		
5. Once per month, student completes Student Engagement Probe during morning check-in.		

Problem Solving Session Intervention Steps	Y	N
1. Check and Connect coordinator and individual student will meet weekly or bi-weekly to discuss current issues regarding behaviors and/or academics.		
2. The coordinator works with student on problem solving techniques as they relate to issues that were identified by student and/or through using Check and Connect Monitoring Sheet.		
3. The coordinator helps student work through the 5-step problem solving process and set goals related to issues.		
4. Once per month, student completes Student Engagement Probe during morning check-in.		

Data Tracking/Monitoring Intervention Steps	Y	N
1. Check and Connect coordinator monitors student's behavior and academic progress from previous week by filling out the Check and Connect Monitoring Sheet. This task is done on the Monday following the previous week and is used to pin point areas of concern to problem solve around during the student/coordinator lunch meeting.		
2. Check and Connect coordinator tracks data from student engagement probes using the Excel file set up by school psychologist
